MTD Recalls TrimmerPlus Edger Attachments Due to Laceration Hazard

WASHINGTON, D.C. The U.S. Consumer Product Safety Commission, in cooperation with the firm named below, today announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately unless otherwise instructed. It is illegal to resell or attempt to resell a recalled consumer product.

Name of product: dger Attachments

Units: About 14,500

Manufacturer: MTD Products Inc, of Cleveland, Ohio

Hazard: The steel shaft that drives the edger blade can break during use causing the edger blade to detach. If the blade detaches, it can hit the user or bystanders, posing a laceration hazard.

Incidents/Injuries: None reported

Description: This recall involves -C092
LE720. The edger is sold separately as an attachment and can be attached to most major brand attachment-capable trimmers. The edger is used to cut grass along an edge such as a driveway or

Sold at: Lowes and other hardware and home improvement stores nationwide and on the Web between March 2011 and April 2011 for about \$70.

Manufactured in: Mexico

Remedy: Consumers should immediately stop using the recalled and contact MTD to receive a free replacement.

Consumer Contact: For additional information, contact the firm toll-free at (888) 848-6038

www.mtdproducts.com.
